IN RE: ADVANCED NETWORK COMMUNICATIONS, L.L.C.	DOCKET NOS. TCU-97-17 TF-01-526
--	------------------------------------

**ORDER APPROVING AMENDMENT TO CERTIFICATE,
CONCURRENCE IN MAPS, AND TARIFFS**

(Issued January 15, 2002)

On January 4, 2002, Advanced Network Communications, L.L.C. (ANC), filed a motion requesting that the Utilities Board (Board) amend its certificate of convenience and necessity to eliminate specific exchanges where it is authorized to provide service. ANC requests the Board amend its certificate to reflect local service only in the Correctionville, Iowa, exchange, which is listed in the Qwest Corporation (Qwest) exchange maps. ANC stated it would concur in the exchange boundary map of Qwest for the exchange.

On December 17, 2001, ANC filed a proposed tariff revision listing its provision of service only in the Correctionville exchange. The proposed tariff has been identified as Docket No. TF-01-526.

The Board will approve ANC's request and amend its certificate and approve its tariff. The Board issued Certificate No. 0185 to ANC on December 8, 1998, in Docket No. TCU-97-17, which authorized ANC to offer service in the Lake View,

Anton, Correctionville, Storm Lake, and Carroll exchanges. ANC's request to limit its provision of service to only the Correctionville exchange is reasonable.

IT IS THEREFORE ORDERED:

1. The request of Advanced Network Communications, L.L.C., to amend its certificate of convenience and necessity to reflect the provision of service only in the Correctionville, Iowa, exchange is approved.
2. An amendment to Certificate No. 0185 is being issued concurrently with this order. Under the amended certificate, Advanced Network Communications, L.L.C., will be allowed to provide service in the exchanges as shown by its tariffs as currently and subsequently approved.
3. The proposed tariff, identified as TF-01-526, filed by Advanced Network Communications, L.L.C., on December 17, 2001, is approved.
